Dear Attorneys at Much Shelist,

Thank you for allowing a tutoring program for another year. I'm doing an ISAT coach booklet to help me get ready for the ISAT. My tutor Bob and I are practicing writing letters. We also read and answer questions about the story. The tutoring program is important to me

because it helps me comprehend the stories I read.

Dear Attorneys at Much Shelist,

Thank you so much because you're making my life more easier because on tutoring they help me a lot with my homework and learn different things. In school I get all my work in and when I'm at tutoring I sometimes bring my homework so they could teach me how to do it and to learn it. It is important to me because sometimes when I need help I bring my homework to tutoring and all the nice tutors help me and my brothers and

homework done faster and I can understand what my teacher is teaching me. I look forward to coming to Inspired Youth to learn even more. I feel that Inspired Youth really helped me with my grades in school. Thank-you.

Sincerely, Ashton, 7th grade

Dear Attorneys at Much Shelist,

Thank you for the award you gave to Inspired Youth. I really appreciate the award you're giving us. I go to Mather High School in Chicago, IL. I am a senior in high school. I really like it. I am doing math and reading in school. I am in a tutoring program in a library called the

Chicago Bezazian library. I have fun. I do math, reading, all kinds of stuff. The tutoring program starts at 6:30 p.m. to 8:00 p.m. closing. I think the tutoring program is very important to me because it is a nice place, and a very educational place to go to. The youth choir is very important to me because I love to sing. We sing at different places like nursing homes, different churches, and we eat McDonalds a lot. I sing at people's houses. Our choir director is Beth Palmer. Thank you for bringing us to Much Shelist.

Dear Attorneys at Much Shelist,
I wanna thank you for the award that you gave to Inspired Youth. I'm a Junior in High School and have been attending the tutoring program for many many years, and I enjoy it very much because of my tutor. I like both programs because it keeps me busy and off the streets. It helps me with all my homework, and plus I love singing, and I'm a good singer. Thank you very much for the award.
